ROOMS FOR ANY EVENT

Whether delegates prefer an international hotel in the city, a beachside resort, a retreat in the rainforest, or an escape to a tropical island, Cairns & Great Barrier Reef has the accommodation to suit.

CAIRNS

With more than 7000 accommodation rooms available, Cairns can cater for large conventions across multiple properties or accommodate small to medium sized groups within a single hotel or apartment building. A short 10-minute drive from the Cairns International Airport, the convention precinct in the inner city has several choices of four to five star international hotels and luxurious self-contained apartments boasting fabulous water and mountain views. Resorts and hostels are also located within the city centre, with a variety of mid-range hotels and motels within walking distance of the heart of Cairns.

PORT DOUGLAS

Accommodation variety abounds in Port Douglas with approximately 3700 rooms in the picturesque seaside village. Luxurious five-star resorts, including the newly redeveloped Sheraton Mirage Port Douglas Resort, boutique self-contained apartments, opulent private homes, mid-range motels and budget accommodation add to the mix. Further north in the heart of the Daintree Rainforest are peaceful eco lodges, exquisite B&Bs and rainforest resorts.

PALM COVE

Beachside resorts dominate at Palm Cove where there are approximately 1500 rooms including modern self-contained apartments and three to five star resorts, all within walking distance of the beach. Executive-style holiday homes are a popular option for those who prefer privacy, but still want to be close to their conference facilities.

TROPICAL ISLANDS

Tropical islands offer an ideal alternative for smaller groups who want to escape the mainland for an event with a difference. Green Island and Fitzroy Island Resorts, both a convenient 40-minute boat transfer from Cairns, offer exclusive accommodation and meeting space in the middle of the Great Barrier Reef, while Lizard Island Resort is a luxurious retreat for high-end events a short one-hour scenic flight from Cairns.
