All About Sell TNQ

Don't just see it... *EXPERIENCE IT*

Sell TNQ is a unique opportunity for professional conference and incentive organisers from Australia and New Zealand to step into the shoes of their delegates and experience the ultimate tropical itinerary.

Each year, an all-inclusive, luxury program is curated by the Business Events Cairns & Great Barrier Reef team and industry members to showcase the very best of business events products that the region has to offer.

*And with a 100% delegate satisfaction rate,
it's an experience you'll never forget.*

Take control of your tropical experience with the option of participating in a post-touring program, occurring directly after the main program and featuring a whole new range of business event products and locations.

Dip your toes in the world heritage-listed Great Barrier Reef, journey into the heart of the oldest tropical rainforest in the world, hear ancient stories told by Indigenous descendants and lose yourself in spectacular events in the middle of a tropical paradise.

What you can expect...

All expenses paid travel and ground costs from Australia and New Zealand capital cities to Cairns

A unique three-day experience featuring social functions, one-day workshop & touring day

B2B meetings and networking opportunities with the regions top industry suppliers

Interested? Here's how to apply...

This exclusive opportunity is only available to a select group each year that are hand-picked by our committee. Please submit your application and include any required documentation via the link below:
