

WORLD HERITAGE

WORLD HERITAGE, WORLD CLASS

The twin World Heritage icons, the Great Barrier Reef and the Wet Tropics Rainforest are natural delegate boosters for any conference or event.

GREAT BARRIER REEF

The Great Barrier Reef makes the region the perfect place to host your next conference, meeting or event, with this natural wonder providing so many exciting, relaxing and unforgettable experiences for delegates.

Departing daily on scheduled services or private charters from Cairns and Port Douglas, there are a variety of tours available offering diving, snorkelling, sailing, cruising and island-hopping, all showcasing one of the world's greatest natural treasures. Escape to a secluded tropical island in the middle of the Great Barrier Reef and explore a colourful underwater world, dine with the Coral Sea lapping at your toes, or discover varied and unique wildlife with an experienced marine biologist.

The Great Barrier Reef can be seen from space, but for those wanting to stay a little closer to the ground, scenic helicopter tours will leave you with a breathtaking view you will never forget. For those who prefer to stay dry, semi-submersible and glass-bottom boats provide an ideal introduction to the Great Barrier Reef, while helmet dives and motorised underwater scooters are a fun way to view the colourful coral and marine life without getting your hair wet.

Dive with minke whales for an unforgettable adventure, parasail from an island for an adrenalin rush or spy on baby turtles making their first dash for the freedom of the Coral Sea.

WET TROPICS RAINFOREST

Recognised as the oldest tropical rainforest on the planet and the largest in Australia, the Wet Tropics Rainforest offers endless experiences for any group size. Its spectacular scenery, plant diversity and unique wildlife are guaranteed to leave delegates speechless.

Cape Tribulation is the only place in the world where two World Heritage areas meet, the reef and the rainforest. Zip-line through the treetops, stroll along the deserted palm fringed beach or get back to basics with a four wheel drive tour through creeks and rugged gorges.

Not far from Cape Tribulation, a Daintree River cruise with a local guide explaining the evolution of crocodiles in the region takes you out of your comfort zone, or stay overnight at one of the boutique eco-lodges in the heart of the rainforest.

Just north of Port Douglas at Mossman Gorge Centre, learn about the traditions of the Kuku Yalanji tribe and immerse yourself in the ancient secrets of the rainforest. A guided Dreamtime walk, team building activities through the gorge or a dinner by the river are sure to leave delegates with an emotional connection to the land.

A gondola ride above the canopy aboard Skyrail Rainforest Cableway just north of Cairns provides an appreciation of the diversity this ecosystem offers. With stops along the way to explore the rainforest and enjoy guided boardwalk tours, delegates are exposed to the rainforest from above and below.
