## Freight Opportunity

Far North Queensland (FNQ) is an abundant producer of high-quality produce including a diverse horticultural industry, a world-recognised seafood and aquaculture industry and an array of boutique and niche products such as beef, dairy, coffee and native foods.

As a highly productive growing region, FNQ has excellent export opportunities for high value food exports from the region to key export markets.

## About Cairns & Great Barrier Reef

Whether you're looking to relax or seeking the thrill of a new adventure, Cairns & Great Barrier Reef is rich with magical and unforgettable experiences. Fringed by reef and enveloped by rainforest, it's the only place in the world where two World Heritage sites meet.

With warm weather all year round, adrenalin rushes, secluded escapes, amazing wildlife, picturesque landscapes and a whole new world underwater – there is really no other place like it on Earth. From Cairns you can access these incredible places:

Atherton Tablelands

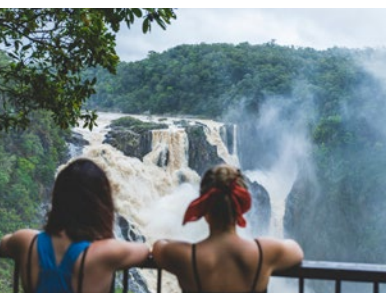

Cooktown & Cape York

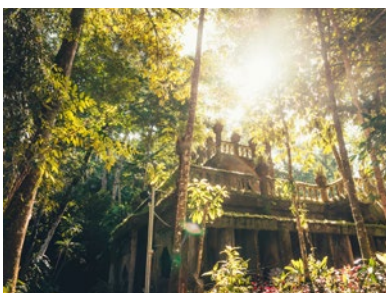

Daintree & Cape Tribulation

Gulf Savannah & Outback

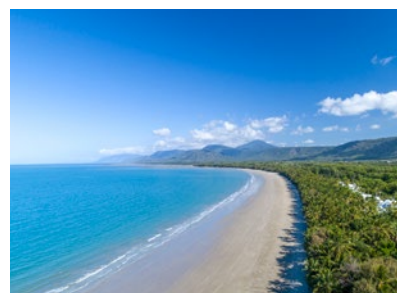

Kuranda

Mission Beach & Cassowary Coast

Palm Cove

Port Douglas

## What's New In The Region

Cairns Convention Centre has undergone a **\$176M** refurbishment scheduled to finish in mid 2023.
