UNDERWOOD PARTY HIRE

Growing up without the influence of radio or television, Kaweyova started out singing traditional Island songs from the Trobriant Islands in Papua New Guinea. This self-taught guitarist and singer picked up her skills from watching her cousins singing and dancing. She has worked in Papua New Guinea, Dubai, Fiji and is now based in Australia. Kaweyova regularly performs on cruise ships onboard the P&O Australia fleet as a guest entertainer. While she's not sailing the seas, Kaweyova can be found in Cairns playing around the local spots such as the Pullman Reef Hotel Casino and Salt House solo or as part of a duo through to a full 4-piece cover band to get the party started!
