

DOWN UNDER TOURS. BUSINESS EVENTS TRANSPORT & TOURING

Palm Cove

An aerial photograph of a winding coastal road, Great Barrier Reef Drive, cutting through a lush green forested hillside. The road curves along the edge of a rocky coastline, with the turquoise ocean and white surf visible to the right. A green line graphic, resembling a stylized arrow or path, starts from the left edge and points towards the road. In the top right corner, the text 'DOWN UNDER TOURS.' is displayed in a bold, white, sans-serif font.

LUXURY COACH FLEET

The largest fleet of luxury coaches in Cairns and Tropical North Queensland

All featuring European leather touring seats, timber floors, tinted windows, climate control air-conditioning and high-quality custom sound systems.

Large Coaches (53 seats)

Our large coaches all feature large panoramic windows, and comfortable reclining leather seats with extended leg room. USB charging points provide the opportunity for guests to recharge enroute. Large underneath luggage bins ensure we can accommodate one large suitcase per seat; the interior cabin also includes overhead storage racks for hand luggage.

AWD and 4WD Coaches (28 seats)

These coaches were designed with Cape Tribulation and Bloomfield track touring in mind. Fitted with air bag suspension to ensure a comfortable journey on the bumpiest of roads, comfortable reclining leather seats, extended legroom and footrests with a 2 by 2 seating layout. Seat to ceiling windows and TV monitor with forward facing live feed camera provide excellent views throughout the journey.

Small Coaches (21 seats)

Our Toyota Coasters are all fitted with additional comfort features to ensure guests travel in style. Enjoy dark tinted windows with climate-controlled air-conditioning, and large leather touring seats. With high quality sound system, guide microphones and Guide Seat plus matched luggage trailers.

SUSTAINABILITY, CULTURE & INDUSTRY PARTNERSHIPS

Proudly operating for over 35 years, Down Under Tours continues to innovate through environmentally, culturally respectful and sustainable tourism practices. Our induction into Ecotourism Australia's Hall of Fame reflects our long-standing commitment to protecting the natural and cultural environments in which we operate.

Diamond Partners for Protection

We partner with Rainforest Rescue in their efforts to protect the ancient and biodiverse Daintree Rainforest to mitigate climate change and habitat loss.

Rainforest Rescue restores rainforests through tree planting, ecosystem rehabilitation, and long-term care, while also protecting biodiversity by purchasing and safeguarding areas of high conservation value.

"The Daintree is a unique and truly special destination globally. As tourism operators we have a duty to support its stewardship and today was testament to how we are working together with Rainforest Rescue to do so."

Erin Simpson, General Manager at Down Under Tours.
